## "Stars of the Week"

**Stars of the Week**

**Senior Room: Ryan Ball**

for attention to detail and effort at art.

**Middle Room: Charlotte** for her argument writing and  
**Micah** for trying hard to keep calm when things don't go well.

**Junior Room: Joshua and Savanna**

for reciting their poems beautifully.

The students were treated to a wonderful experience when visitors from Japan came to share their culture, country and skills at origami. The opportunity extended our curriculum theme of globalisation this term and provided a lot of fun and education. A big thanks to local lady Gillian who made this possible.

**Fundraising...** Next term we will be ordering calendars with your child's art. Great for Xmas presents! Diaries, Greeting cards and notebooks can also be ordered. Just keep this in mind for future Xmas shopping! More details next term.
